

Third Quarter District 2 Report
June 1, 2018

The three Detachments in District 2, Gator Detachment 990, Tri County Detachment 1018 and Sgt Major Griggs Detachment 1086 have continued to recruit new members and work on the resolution of the status of delinquent members. The new September 1, due date for membership dues is still causing some problems as the detachments work to notify and collect dues from all of their members. Members of all detachments continue to attend veteran's meetings and other opportunities to show our colors. Color guards are participating in funerals and parades where appropriate. From all outward appearances district is continuing to grow and prosper. There were numerous Veterans functions events attended by all three detachments and the Gator Detachment Milton Lewis Young Marines. The three detachments have elected new officers and they have been installed. Continuing to work with the respective staffs of the detachments regarding the use of the proper form and filling them out correctly
