

TO: Commandant George LaMont.
CC: Adjutant John Marsh

6th District Vice Commandant DoF
3 Quarter Report 2018
Sir Commandant:

As beginning of the 3 Quarter I have finish my cycle of visiting all of my detachments. Due to the fact that 4 of my 5 detachments each meet on the same Tuesday or Thursday cycle of the month it requires me to take two months for a full cycle.

I have work with the officers of each of my Detachments in stressing the Department Commandants vision for the Department. All detachments are active and conducting programs though the first two months of the 2018 year, Four of the Five Detachments are showing strong attendance at meetings and a growing membership Sept 11 # 1092 is struggling to fill a quorum at meeting that I have attended.

I assisted the Sr Vice Frank Glassford in the installation of Marine Forever Detachment. I also conduct the installation of the Officers of the Sgt I W Hatcher Detachment. Attended a memorial service for Marines of the MajSgt Michael Curtain Detachment.

I Have stress the importance of the spring conference and the leadership class. Scholarship raffle tickets were handed out and also made a point of pushing each detachment in participating in the program. I continue to pass along all messages sent out by your office and the Adjutant.

Respectfully Submitted,
Andy Smith
6 District Vice Cmdt.
