Subject: 3<sup>rd</sup> Quarter Report 2017-2018

Sir Commandant,

There have been many Detachments that have sent bylaw changes to be reviewed and most have been very well written with minor changes recommended. The Detachment Judge Advocate's are doing their research and reaching out for assistance in revising their bylaws. I have had three Detachments contact me for advice on matters that involve Chapter 9 with two that have seemed to work themselves out but, one is still in process and may result in further action.

Since the Board of Trustees meeting in the beginning of February, I have been working on seven proposed Department bylaw changes and I will have them ready to present to the membership at the Spring Conference. I have also been working on the recently approved Chapter 9 class to be presented at our annual convention in Orlando. The class is intended to help all DoF members; especially Detachment Judge Advocate's and Commandant's to understand the protocol and procedures of Chapter 9 and, will provide an in depth look into the workings of grievances and disciplinary actions.

Once again I have been asked to provide instruction for the Departments Leadership School and have been busy preparing the lesson plan for that as well. I look forward to seeing everyone at the Spring Conference in Safety Harbor in a few weeks. As always, I may be contacted anytime to answer questions or provide assistance to the Detachments or members.

Respectfully Submitted  
Semper Fidelis,

*Cary F. Haerlin*
