To: Department of Florida, Commandant George LaMont  
CC: Department Adjutant, John Marsh  
From: Department of Florida Jr. Past Commandant  
Subj.: Quarterly Report December 2017

Sir,

In compliance to your directive the following is a compilation of my actions during this period December through February 10<sup>th</sup> of this year.

I attended the Fall Conference in West Palm Beach, Florida, October 5-9, 2017. At the conference. I attended the business meeting as well as other meetings ( District Vice and Commandant) and gave a report on the Injured Warriors Fund of Florida.  
On January 13<sup>th</sup> I attended the District 8 Meeting at Barefoot Bay and gave a report on the IWFF the duties of the jr Past Commandant.  
On February 3<sup>rd</sup> I attended the renaming ceremony of Charlotte County Detachment to the Peter Shanks Det. with Commandant Lamont and Sr Vice Frank Glassford.

Since then I have communicated with officers, our members and the Department Commandant offering advice. However there has been very little other activity for me to report on, that I was directly involved in as the Jr Past Commandant. I do remain available for all issues that may arise or as directed by the department Commandant.

Respectfully and as always I remain  
Semper Fidelis
