

May 23rd, 2018

To: Department of Florida, Commandant George LaMont
CC: Department Adjutant, John Marsh
From: Department of Florida, Past Commandant
Subj.: Quarterly Report June 2018

Sir,

In compliance to your directive the following is a compilation of my actions during this period March through May of this year.

I attended the Spring Conference in Safety Harbor, Florida, April 5th-8th, 2018. At the conference, I was an observer in the Leadership School and did attend the Past Commandants Council. In attendance were Past Commandant Lou Calleja and the Honorary Past Commandant Bob Beale, Ron Ashley and the Present Commandant George LaMont. Our suggestions were offered verbally to the present Commandant LaMont and offered in writing as well. I also attended other meetings (District Vice and Commandant) and submitted a report on the Injured Warriors Fund of Florida Inc..

During this period, I have communicated with Department officers, our members and the Department Commandant offering advice. However there has been very little other activity for me to report on, that I was directly involved in as the Past Commandant. I do remain available for all issues that may arise or as directed by the Department Commandant.

Respectfully and as always I remain
Semper Fidelis

William G. Cona
